Dear Mr. Chairman:

I am enclosing information in response to your request of October 15 to Chairman Conaboy.

The enclosed table lists the number of convictions for various statutory violations that were sentenced under the federal sentencing guidelines in FY 1993-97. As the footnote under the table indicates, some defendants were convicted of more than one of the listed statutes. Therefore, the total number of criminal defendants (persons) would be slightly less than the total number of convictions shown.

Please let us know if additional information is needed.

Sincerely,

  
John R. Steer  
General Counsel
